*__NOTE:__ **REFERRALS FOR P.T./O.T:** OT and PT are most often related services. Related services are developmental, corrective and other supportive services as are required to assist a child with a disability to benefit from special education.

****REFERRALS FOR VISION ASSESSMENT:**

Please refer to the definition of children with visual impairments as defined in Operating Standards for Ohio's Schools Serving Children With Disabilities (Rule 3301-51-01 (F) (3) (m). "Visual impairment" including blindness means an impairment in vision that, even with correction, adversely affects a child's educational performance.

Situations warranting a referral are:

•Evaluation teams "suspect a handicapping condition" in the area of vision.

OR

•Team members seek assistance with IEP goals and objectives for children ***already*** identified as visually impaired.
